Dear Mr. Dodson:

This will acknowledge your letter of November 6, 1996 and my subsequent phone call to you this morning with respect to the issues raised in your communication.

I have enclosed the amended monthly Report of Receipts and Disbursements for the month of August 1996, which corrects Line 17 and Line 18 of the detailed Summary Page and the respective itemization of each on Schedule A.

With respect to the clarification of all expenditures made for the Committee's participation in the Labor Day Salute. This will advise you that there were no expenditures made on behalf of any Federal Candidates. The disbursement can best be identified by the solicitation which the Committee received, a copy of which is enclosed for your reference.

Very truly yours,

Joyce M. Otto, Assistant Treasurer

NOV 6 1996

Reference: September Monthly Report (8/1/96-B/31/96)

Dear Mr. Krupa:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

AK -Line 17 of the Detailed Summary Page discloses receipts for dividends and interest during the reporting period. If this figure includes any receipts from a single source, that aggregate greater than \$200 in the calendar year, please amend your report(s) by itemizing the receipts on Schedule A. 2 U.S.C. §434(b)(2)(J)

AK -Please provide a Schedule H3 to support the entry reported on Line 18 of the Detailed Summary Page. All transfers received from a committee's non-federal account for joint activity must be itemized on Schedule H3 regardless of the amount transferred. 2 U.S.C. §434(b)(3)(D)

Line 18
IR -Please clarify all expenditures made for Maritime participation Labor Day Salute on Schedule B. If a portion or all of these expenditures were made on behalf of specifically identified federal candidates, this amount should be disclosed on Schedule B or E supporting Line 23 or 24 and include the amount, name, address and office sought by each candidate. 11 CFR §104.3(b)

Line 12
AK -Line 18 of the Detailed Summary Page of your report discloses a total of \$80,000 in transfers from your non-federal account for joint activity. However, your committee does not appear to have ever paid for joint allocable expenses from your federal account. Please clarify this discrepancy. If your committee has received a transfer from your non-federal account for any purpose other than the payment of joint allocable expenses, be advised that such a transfer is prohibited by 11 CFR §102.5(a)(1)(i) and the full amount of the transfer(s)

should be returned to the non-federal account. Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for the transfer-out. In addition, the transfer-out should be disclosed on Schedule B supporting Line 22 of your next report.

If this transaction represents an "internal transfer" of funds from one federal account to another, and the source(s) of such funds has been identified in previous reports of receipts and disbursements, please note that such transfers should not be itemized as doing so inflates total receipts and cash on hand. If this is the case, please amend your report accordingly.

Although the Commission may take further legal action regarding the acceptance of funds from a non-federal account, your prompt transfer-out of the impermissible funds or clarification of the transaction, will be taken into consideration.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

Sincerely,
